

Application. No. 10/782,805
Amendment dated May 25, 2007
Reply to Office Action of April 5, 2007

Amendments to the Specification:

Kindly replace the paragraph beginning on page 16, line 6 with the following amended paragraph:

Components and systems described herein will be understood to include all necessary support apparatus required for operability. For example, electrical devices which cannot be operated directly by commands from microprocessor 26 will be understood to include a power amplifier (not ~~shown~~? shown) or any other device or connection required for operability. It is to be understood that the present invention is not limited to the embodiments described above, but encompasses any and all embodiments within the scope of the following claims.
